# LESS WORK, FASTER RESULTS

The **VIPER** is a new type of manual lubrication gun only offered by Val-Tex. This rugged, light weight foot pump is portable and allows for hands free operation. A typical hand-held, hydraulic grease gun takes about 10 minutes to inject an 8 ounce J stick while the **VIPER** can deliver an 8 ounce J stick in less than 2 minutes with **MUCH** less effort.

## COMPARISON CHART

PLUG VALVE SIZE	HAND HELD HYDRAULIC	VIPER
2"	132 STROKES	33 STROKES
4"	220 STROKES	55 STROKES
BALL VALVE SIZE	HAND HELD HYDRAULIC	VIPER
12"	440 STROKES	110 STROKES
24"	1056 STROKES	264 STROKES

- **5 TIMES FASTER** THAN A TYPICAL HAND-HELD HYDRAULIC GREASE GUN
- PUMPS AN ENTIRE "J" STICK IN
- **ONLY 88 STROKES**
- FOOT PUMP ALLOWS HANDS FREE OPERATION
- LIGHT AND PORTABLE
- INTEGRATED CAP GAUGE FOR SAFETY
- **OPTIONS**
  - J OR K SIZE BARREL
  - 6 FOOT OR 10 FOOT HOSE
